

Cab Booking FAQ Guide

1. Who is eligible to book a cab using the bot?

Only employees with HR designation of SVP (Senior Vice President) and above are eligible to use the cab booking feature.

2. How do I start the cab booking process?

Open PAI@HR in Microsoft Teams and type 'Cab Booking' in the chat to initiate the request.

3. What steps do I follow to book a cab?

- Type 'Cab Booking' in the bot chat.
- Click New Booking.
- Fill in the cab request form with travel details.
- Select travel type and cab type.
- Click Request Cab, confirm details, and then Submit.
- A Trip ID will be generated after submission.

4. What travel types are available?

- One Way: For intercity transfers (currently Mumbai–Pune only).
- One Way + Local: For intercity plus local city use.
- Only Local: For local city travel (minimum 8 hrs./80 km).
- Return: For same-day intercity return trips or outstation travel.

5. What cab types can I choose from?

- Standard Sedan: Swift Dzire, Honda Amaze, etc.
- Deluxe Sedan: Honda City, Kia Sonet, etc.
- Innova Crysta: For premium comfort.

6. How will I receive booking confirmation?

After submission, the bot generates a Trip ID. Vendor confirmation and cab details will be shared 4 hours before travel, or previous night for early morning trips.

7. Can I use this service for airport transfers?

No. For airport transfers, app-based cabs are recommended as the vendor charges full-day rates for local bookings.
