General FAQ**Que- How does the scheme help the employees?**

Ans- The scheme provides full medical care to the employee registered under the ESI Act, 1948 during the period of his incapacity, restoration of his health and working capacity. It provides financial assistance to compensate the loss of his/ her wages during the period of his abstention from work due to sickness, maternity and employment injury. The scheme provides medical care to his/her family members also.

Que –How the Scheme is funded?

Ans - The ESI scheme is a self-financing scheme. The ESI funds are primarily built out of contributions from employers and employees payable monthly at a fixed percentage of wages paid. The State Governments also bear 1/8th share of the cost of Medical Benefit.

Que – How much amount can be claimed in ESI?

Ans - Unemployment Allowance equal to 50% of wage for a maximum period of up to Two Years during the lifetime. Medical care for self and family from ESI Hospitals/Dispensaries during the period IP receives unemployment allowance.

Que - What is Medical Benefit?

Ans - Medical benefit means medical attendance and treatment to the insured persons covered under the Act and their families as and when needed. This is the only benefit provided in kind through the State Governments including Model Hospitals run by ESI Corporation (except in Delhi), and uniformly to all as per their requirement without linking it to their wages and contributions
