Que -How do member know/check if his PF amount has been transferred from his previous member IDs to his current member ID?

Ans- The member can check this by viewing his passbook. The member must log in to his member unified portal. In the homepage itself the member must go to View > Passbook. Thereafter the member must enter his UAN, password and captcha to login once again. After logging in the member can view the passbook of all his MIDs. If his PF has been transferred, then the same will be shown as a credit entry in this latest passbook. Otherwise, all the passbooks of his previous MIDs will show some balance. In such a case the member is advised to submit an online transfer claim.

Que -How to track the status of online transfer claim?

Ans- The Member e-SEWA portal allows the member to track the status of the transfer claim submitted by going to 'Online Services' tab and then to 'Track Claim Status'. Once the claim is submitted the status shown is "Pending with the employer". If the employer approves the transfer request, the status of the form changes to - "Accepted by the employer. Pending at Field Office".

Que - What are the probable reasons for rejection of an online claim by the EPFO office? Ans -The probable reasons for rejection of an online claim form by the EPFO can be of the following two types:

- (i) In case of the claim submitted for attestation by previous/ present employer
 - (a) The claim (physical or online) has already been forwarded to EPFO and has not been rejected till date.
 - (b) The signed copy of the printout of the claim submitted online has not been received from members. (This option would be available only after 15 days of online submission of the claim)
 - (c) The member details do not match establishment records.
 - (d) The signature of the member does not match with those available in office records.
- (ii) In case of verification of member details by previous employer, when the claim has been submitted through present employer
 - (a) The member details do not match with establishment records

Que -Member have 2 different UANs with one MID linked with each. How do member file online transfer claim in this case?

Ans - In such a case there is no provision to file an online transfer claim. However, a physical claim can be filed duly mentioning the previous and present employment details. The physical Form 13(Transfer claim) can be downloaded from https://www.epfindia.gov.in/site_docs/PDFs/Downloads_PDFs/Form13.pdf.

The same must be attested by the authorized signatory of either present or previous employer and submitted to the concerned Field Office. To avail all the online services after the transfer-in is affected the member is advised to do the KYC of his latest UAN. Thereafter on job change the member must disclose his KYC compliant UAN to his new employer to avoid duplicity of UAN number.

Que - What is the process of ONLINE PF transfer?

Ans-

- i) Login to your EPF account using your UAN, password and the OTP received on your registered mobile number.
- ii) Click on the 'One Member – One EPF Account (Transfer Request)' option in the 'Online Services' section
- iii) Carefully verify personal information and the present PF account details
- iv) Click on 'Get Details' to view PF account details of the previous employment
- v) Choose either your previous employer or present employer for attesting the claim form depending on the availability of an authorized signatory holding DSC. Choose one of the employers and provide your Member ID or UAN in the required fields.
- vi) Click on the 'Get OTP' button to receive the OTP to your registered mobile number. Enter the OTP in the space provided and click on the 'Submit' button to authenticate your identity.
- vii) Next, an online filled-in PF transfer request form will be generated that needs to be self-attested and submitted in PDF format to your selected employer. The employer will also receive an online notification about the EPF transfer request.
- viii) The employer then approves the PF transfer request digitally. Once the approval is made, the PF is transferred to the new account with the current employer. A tracking ID is also generated that can be used to track the application online.

Que -How can member view/download his passbook?

Ans - First, you need to login to the UAN Member Portal with your UAN and password. Then go to the menu 'Download' and select 'Download Passbook'. A link provided to download PDF of this passbook.

Que - Two UAN allotted to member. What should I do?

Ans- Transfer all the previous services linked with previous UANs to present UAN through One Member One EPF Account facility of Member Interface.

Que -If I have two or more UAN s with full KYC seeding in current UAN but incomplete KYC seeding in previous UAN (s), how can I withdraw balance from my previous UANs?

Ans- Please transfer the balance and service to current UAN by submitting online Form-13.

For this you must get the data (name, date of birth and gender) corrected in pervious UAN (if not correct and not matching with Aadhar data) through the previous employer and link the UAN with Aadhar. In case data is correct then you can yourself link it through e KYC Portal.

Que - I had left my job before 2014 and now I have only the PF account number but no UAN, then how can I get a UAN, or else, how can I file claim?

Ans- Member can generate his UAN against the member id if the data matches, else he has to approach the employer for generating the UAN with correct details and get the erroneous details corrected. Then a member can link his KYC himself.
