

User Manual for ZingHR

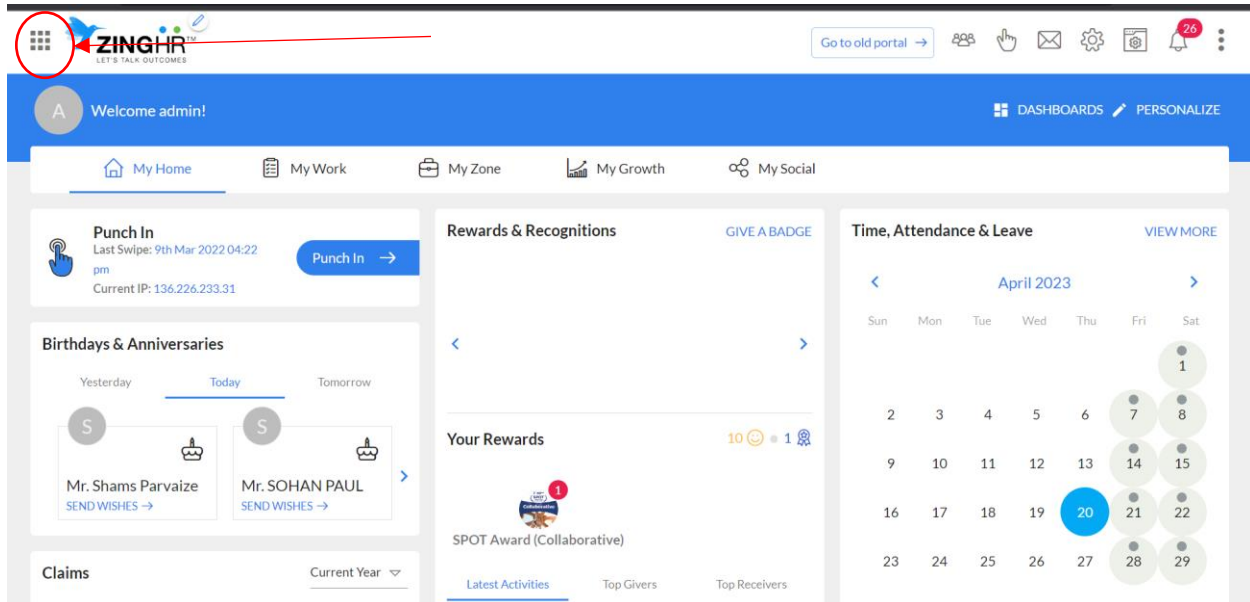

Goal Approval Process

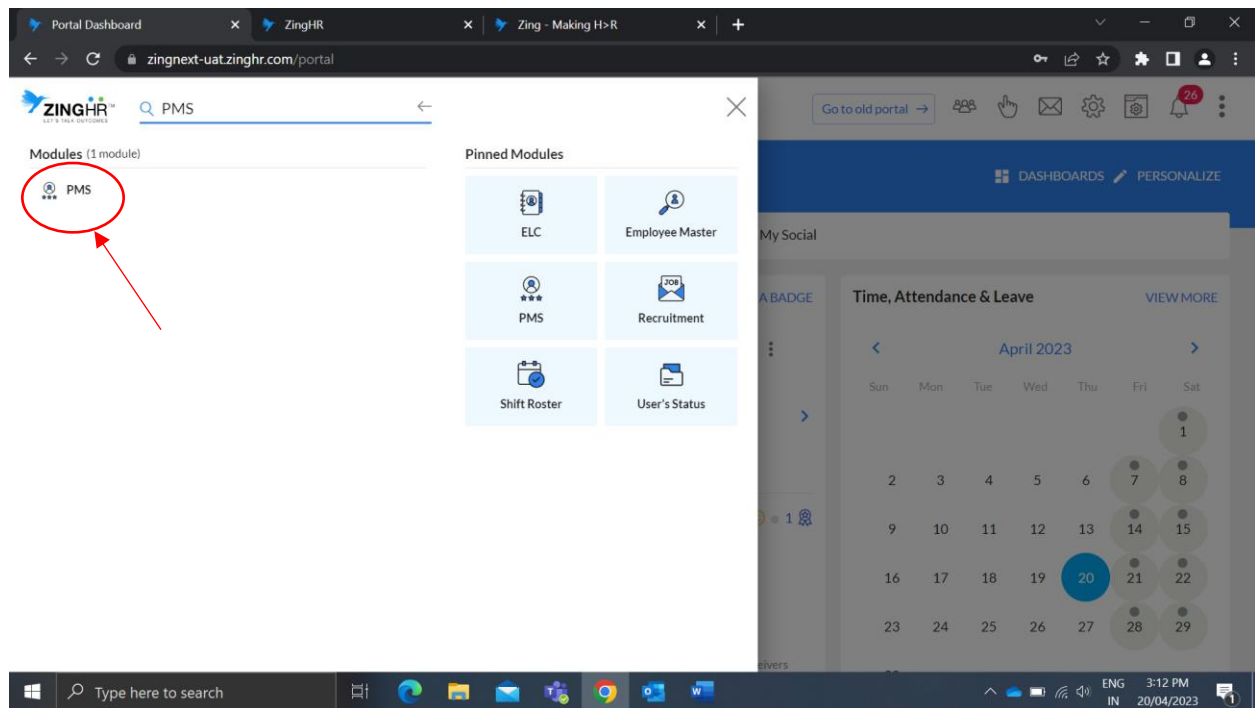

Step – 1 *Log in to ZingHR Web Portal*

Step – 2 Click on nine dots dashboard showing in top left corner to search for PMS Module

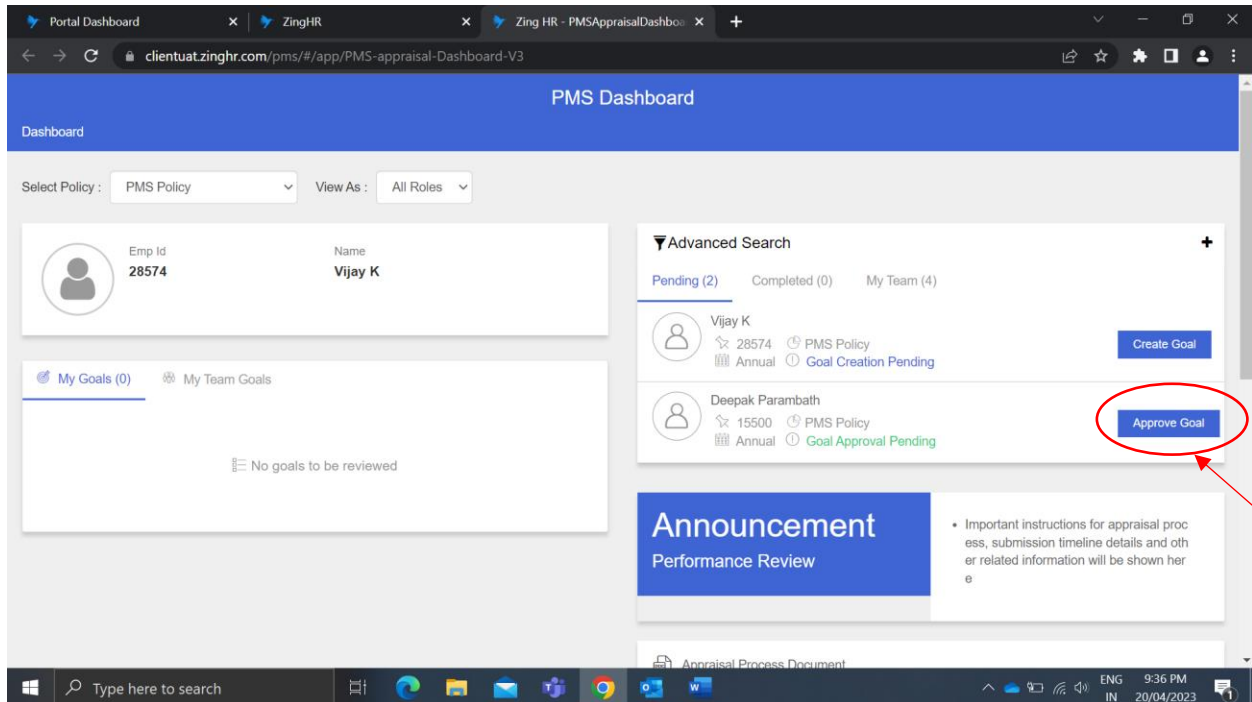

Step – 3 *Search "PMS" using search box*

Step – 4 *This is Approver's PMS Dashboard. Approver can create self-goal and/or can approve employee's goal*

- Click on "Approve Goal" of employee on right side

- Approver can view the status of the form 'Pending/Submitted' at which level.
- It also displays the overall levels for the process flow
 - Level 1: Employee (Self)
 - Level 2: Approver (Employees Manager)

- Approver can either reject/approve all goals at a time or single goals at a time
- Approver can add comments either single at a time or for overall using 'Overall Comments'

BACK Approve All Reject All Submit

- If a particular goal is rejected by the approver then the entire goal creation form will be sent to employee with only that particular goal to be rectified.

- In case approver has rejected a particular goal of employee and wants to re-enable the approval button of that particular goal then approver has to click on refresh option --> confirm.

- Click on "Submit" button after approving or rejecting the goals of employees

- After submitting goals, approver can view status of employees
- The manager can also send reminders wherever the action is pending from their team members
